Whom will the course benefit?
- Faculty members and students.
- Employees of Industries.

Course Objective:
To teach the principles and application of Genetic Engineering.

Course Contents:
1. Chemical properties and structure of nucleic acids
2. Purification, labeling and detection of nucleic acids.
3. DNA modifying enzymes, site-directed mutagenesis, DNA fingerprinting.
4. DNA sequencing, Next generation sequencing, PCR, RT-qPCR, ChIP
5. Recombinant DNA technology, Cloning, vectors design.
7. Transgenic Technology, C.elegans, plants, mice.

Faculty:
IISc faculty will deliver the lectures.

Eligibility:
The course is meant for faculty of engineering colleges recognized by All India Council for Technical Education (AICTE), National Institutes of Technology (NIT’s) and National Institute of Technical Teachers’ Training & Research (NITTTRs). Selected teachers will be paid TA at actual subject to the limit of Three tier AC train/bus fare by the shortest route from the place of work to Bengaluru and back. However, the maximum TA payable is Rs.3000/-. They will be provided with a daily allowance of Rs.500/- (for 5 days only) towards boarding and lodging as per QIP rules, and will be supplied with the course materials. The lodging charges will be Rs.300/- per day. Local participants will be paid DA @ Rs.150/- per day for 5 days.

Course Fee and Accommodation:
A few seats are available for non-sponsored (self-support) teachers, scientists from research labs, practicing engineers from industries and other interested persons; the fee for them will be as follows:
- Private Industries: 15,000 INR
- Academic Institutes, Govt. R&D Labs: 10,000 INR

Single room accommodation is available on the Institute campus at the Hoysala House subject to availability. The participants have to request in advance along with the registration form for such accommodation. The lodging charges will be Rs.1500/- per day for Industry participants and Rs.1000/- per day for self-support college teachers and scientists from national R&D labs.

Registration Form
(Please mail to reach before 25th March 2017)
1. Name…………………………………………………………
2. Age:……………….. Sex: Male/Female
3. Office address
.................................................................
.................................................................
.................................................................

4. Landline No. with STD code:…………………..
5. Mobile No. .................................................................
6. Email ID:.................................................................
7. Academic Qualifications
   Degree subject year University
   Diploma/B.Sc./B.A.................................................................
   B.E/B.Tech/M.Sc. .................................................................
   M.E/M.Tech/M.Phil.................................................................
   Ph.D. Completed/Pursuing/Intend pursuing:.................................................................
   Thesis title/Proposed Research Area:.................................................................

8. Teaching Experience……………………………(Years)
9. Industry Experience ………………………. (Years)
Intending participants may use the attached application form or a xerox copy of the same. Applicants from AICTE recognized colleges, NIT’s and NITTTRs are required to submit their applications sponsored by their colleges Non-sponsored (self-support) teacher applicants should send their application along with a DD for the course fee drawn in favor of “Registrar, Indian Institute of Science, Bengaluru -560012” payable at Bengaluru. The course fee will be Rs. 10,000 for participants from academic institutions and government R&D labs, and Rs. 15,000 for participants from other organizations.

Demand Draft No. …………………… dated ……..

I agree to abide by the rules of the QIP courses. If selected, I shall participate in the course for the entire duration.

Date: …………………………………………………

Place: …………………………………………………

The applicant Mr/Ms. ………………………………………

……………………………………………………………………

from our institution will be permitted to attend the QIP Short Term Course on “Genetic Engineering-Principles and Applications” to be held during 24th -28th April, 2017 at the Indian Institute of Science, Bengaluru, if selected. He/she will be granted necessary leave of absence.

It is certified that our college is recognized by AICTE Order No:………………..Date:………………

Place: …………………………………………………

Date: …………………………………………………

Signature of Head of the Department

Signature and Seal of the Principal of the Institution

(Xerox copy of this form may also be used)
