Whom will the course benefit:
The course would benefit teachers in the disciplines of materials science & engineering, metallurgy, mechanical engineering, physics and chemistry who are interested in topics such as topography and microstructure of materials, failure analysis and device architecture. Teachers, researchers and professionals who are using or planning to use electron microscopes would be particularly benefited.

Course Outline and Objectives:

Course Contents:
1. Ray and electron optics: Basics and advanced concepts
2. Resolution and magnification
3. Construction of an electron microscope
4. Modes of operation of a scanning microscope
5. Electron beam specimen interactions
6. Image formation and interpretations
7. Examples of image formation
8. Generation of X-rays
9. X-ray spectral measurement
   a) Energy dispersive spectroscopy
   b) Wavelength dispersive spectroscopy
10. Quantitative X-ray analysis: ZAF corrections and determination of composition

Course Organization:
The course will consist of lectures and practical/Lab sessions.

Faculty:
IISc faculty will deliver the lectures.

Eligibility:
The course is meant for faculty of AICTE - recognized engineering colleges. Selected teachers will be paid TA at actual subject to the limit of Three tier AC train/bus fare by the shortest route from the place of work to Bengaluru and back. However, the maximum TA payable is Rs.3000/-. They will be provided with a daily allowance of Rs.500/- per day (for 5 days only) towards boarding and lodging as per QIP rules, and will be supplied with the course materials. The lodging charges will be Rs.300/- per day. Local participants will be paid DA @ Rs.150/- per day for 5 days.

A few seats are available for non-sponsored (self-support) teachers, scientists from R&D organizations, practicing engineers from industry and others interested in this course. A course fee of Rs.10,000/- will be charged to these participants. This will entitle them to participate in the course and receive the course material. Single room accommodation is available on the Institute campus at the Hoysala House. The participants have to request in advance along with the registration form for such accommodation. The lodging charges will be Rs.1000/- per day for self-sponsored college teachers and Rs.1500/- per day for other participants, subject to availability of accommodation.
