The Officer-in-Charge
[Course: Environment Management] Centre for Continuing Education, Indian Institute of Science Bengaluru - 560 012, Karnataka, INDIA Phone: 91 080 22932055/2491/2247, E-mail: admin@cce.iisc.ernet.in, office@cce.iisc.ernet.in

DEADLINES:
Last date for submission: 01.08.2017
Intimation of selection: 14.08.2017

Accommodation: Limited accommodation is available on the campus at Centenary Guest House, IISc, as per applicable tariff rates subject to availability of the accommodation.

The participants have to request in advance along with the registration form for accommodation (and send advance money for room rent along with course fee for introductory session of five days during 2-6 September 2017 and Final session of five days will be during December 2017 (22-28 Dec 2017).
Course Schedule

- Course material (is available in self learning format).
- Class room briefing and introductory sessions at the beginning of the courses (5 days: During 2-6th September 2017) followed by first term test (covering 5 chapters, on 6th Sept 2017, 2-5 PM).
- October and November 2017: Interactive session through internet (web and email) for two months. The course will be active only as online study through Internet and interaction with course faculty by chat sessions, Internet discussion forums and e-mail. Participation in online test and assignments are mandatory.
- November and December 2017: Announcement of dissertation and implementation by participations.
- December 2017: Final Contact session (22-28 Dec, interactive session, project presentations, guest lectures), Final exam (28th Dec 2017, 2-5 PM).

In all these modes of teaching, structuring of course is done to fuse all the three core components of competency like attitude behaviors, skills and knowledge.

Assignments: Assignment submission can be done through Internet or by post or by hand within the specified date.

Feedback: Participant who would like to have the feedback from the tutor can pose their queries in the discussion forum or through chat sessions or through e-mail or by post.

Tutors /Resource Persons: The tutors will act as catalysts, emphasized on participatory style of learning and providing ample scope for discussions, and the resource persons facilitate the learning process. Successful realization of Competence Based Education heavily depends on the teachers’ contribution to the curriculum reform. Teachers involved here have wide scope from the lesson level to the level of curriculum development, and adapt new role of coach of the students’ learning processes. Faculties and course coordinators are from Indian Institute of Science.

Venue: The classroom sessions and examinations will be held at Centre for Continuing Education (CCE) Lecture Hall, Indian Institute of Science, Bengaluru-560012, Karnataka, India

Entry Requirements: In-service professionals (BE / M.Sc/ B Sc with 1 years work experience) and fresh graduates are eligible for this course. Participants are expected to take part in all activities that form part of course in addition the participants should work on individual projects. During course, participants should compulsorily attend to interactive chat session, which is considered while grading. Participants should actively participate in the course for best results. A certificate along with grades will be given to all the successful participants by the CCE

Study schedule: Each course should be completed within 4 months. Candidates are required to spend time in reading and carrying out the assignments. The number of weeks of study for a course, will, of course, depend on your chosen rate of study. This allows sufficient time for study, submission and returns of assignments and also provides the opportunity for two courses to be taken parallel within 4 months.

Reward of participation: Candidates will be graded as A+, A, B, C and D according to the performance from Centre for Continuing Education, Indian Institute of Science, Bengaluru -560012.

Levels of Evaluation: At concept level, after candidates go through each concept, will be evaluated online by randomly displaying multiple-choice questions. Each question carries some weightage of marks. Based on the test performance, system checks the number of correct answers and the performance is evaluated. At course level, after completing all the concepts, candidates are given final exam, which will be held at CCE. Concept level evaluation marks will also be considered for grading. Completion of a project is a partial requirement for the course. Apart from this, candidates will be assessed on the basis of assignment submission, active participation in chat sessions, contact sessions and quizzes, project report submission and presentation, midterm and final exams scoring. Facility to communicate among participants: Sharing experiences and establishing contacts is an important aspect of learning. Registered participants can contact other participants during contact sessions, in Internet discussion forum and chat sessions and through personal e-mail id, and also a Course e-mail id allotted by the coordinator.

Course Fee:

- Rs.25,000 for participants from industries and independent consultants
- Rs. 18,000 for participants nominated from academic institutions and government agencies.
- Rs. 15,000 for ISTE Members – with work experience of 5 years as teaching faculty and nominated from academic institutions
- Rs. 10,000 for unemployed FRESH graduates (graduated after 2015), PG students and weaker sections (including SCs/STs)

Number of registrants is restricted to 50 students. Admission is based on first come, first serve basis. Along with the registration form, the course fee and accommodation charges are to be sent in the form of Demand Draft (DD) only. The DD to be drawn in favor of ‘Registrar, Indian Institute of Science, Bengaluru’, payable at Bengaluru and send to the Officer-in-Charge address indicated above.
