

CCE -PROFICIENCE
INDIAN INSTITUTE OF SCIENCE,
BENGALURU 560012

August-December 2025

- **Water/Wastewater Treatment and Management**
- **From Data to Decisions: Machine Learning & AI for Real-World Science & Engineering**
- **Analysis and Design of Composite Structures**
- **Introduction to High Performance Computing (HPC) and Parallel Programming**
- **Vibration and Noise Control: Theory and Practice**
- **Structural Analysis and Design Optimization: Theory and Practice**
- **Machine Learning for 5G and 6G Wireless Communication**
- **Prescriptive Analytics (Online)**
- **Fundamental of electromagnetic compliance: Development to deployment for electrical product design**
- **Online Course on Principles and Advances in Genetic Engineering**
- **Turbomachinery**

Online
