

Online Course on Genome editing by CRISPR-Cas9

Course Coordinator: Prof. N. Ravi Sundaresan
Department of Microbiology and Cell Biology (MCB)
Indian Institute of Science (IISc) Bangalore

Course Schedule

15th to 19th December 2025 (6.00PM to 7.00PM)

Registration Deadline:

14th December 2025

Course Mode: Online

Registration Fee:

₹ 2500 Plus 18% GST

Topics

- Principles of CRISPR- Cas9.
- Applications of CRISPR- Cas9 technology.
- Genome editing in cultured cells.
- Genome editing in worms.
- Genome editing in plants.
- Genome editing in animals.

Who Can Apply?

Students who are pursuing or completed any bachelor's degree in science.
