

# M.Tech.(Online) Data Science and Business Analytics

## Admissions 2026

### About IISc

**One of India's highly-ranked universities.**

One of the 12 institutions in India to be granted the **Institute of Eminence (IoE)** status.

### About M.Tech.(Online)

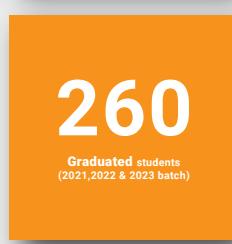

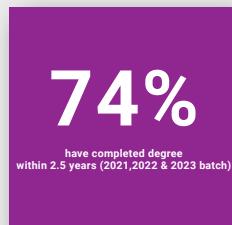

A fully online programme for practising engineers and scientists.

Designed for professionals who are sponsored by organisations, have a BE/BTech/equivalent degree, and wish to upskill or re-skill themselves.

Typical time for completion is between 2 and 3 years.

Equivalent to the regular full-time Master of Technology degree.

**Offered in three streams:** Artificial Intelligence (AI), Data Science and Business Analytics (DSBA), and Electronics and Communication Engineering (ECE).

### Programme Structure of DSBA

#### Core courses (12 credits):

Typically taken in the first two semesters.

- Data Science in Practice (4 credits)
- Probabilistic Machine Learning (4 credits)
- Data Engineering at Scale (4 credits)

#### Sample elective courses (at least 20 credits):

- Financial Analytics (4 credits)
- Data Mining (4 credits)
- Tensor Computations for Data Science (4 credits)
- Artificial Intelligence for Medical Image Analysis (4 credits)
- Applied Artificial Intelligence in Healthcare (4 credits)
- Quantum Computing Methods: Theory and Applications (4 credits)
- Linear Optimisation and Network Science (4 credits)

Students can take elective courses from any of the 30 courses offered across the three streams.

#### Project (32 credits)

- Projects are done in-house with a company guide and an IISc mentor.

### Eligibility

- Candidates must be nominated by a company having an MoU with IISc for this programme.

#### BE/BTech/BS (4 years)/equivalent (4-year degree/diploma after 12th standard) or Master's degree in any discipline

- At least 60% of marks or equivalent CGPA in all degrees.
- At least 2 years of industrial experience.
- Strong mathematical and programming background.
